Total Members – **309**

Residential – 278

Commercial – 31

Total Income – **\$16,365**

Households/Individuals	\$9,445
Residential Buildings	\$3,700
Commercial Members	\$3,220

ZONING COMMITTEE REPORT

1. 210 North 21st Street (Museum Estates) – Construction continues.
2. 60 N. 23rd Street – On February 14, 2017, the LSNA Board voted to approve a letter of non-opposition to the extension of the ordinance which expired December 31, 2016. The letter of non-opposition is contingent upon an executed Neighborhood Development Agreement prior to the final passage of the ordinance extension in City Council. On Thursday, March 30, 2017, an ordinance was introduced to City Council. The ordinance is still in draft form and its purpose is only to act as a placeholder. LSNA has received and reviewed traffic study report from Frank Tavani. This report has been sent to PMC and Council President Clarke's office.
3. 1816 Callowhill Street- The ZBA hearing on this matter will be April 26, 2017. LSNA has issued a letter of opposition.
4. 1501 JFK Blvd (Love Park)- The ZBA has approved the plan for a pedestrian entrance/head house to the parking garage located under Love Park.
5. The Dalian-Members of the LSNA Zoning Committee and the Planning & Design Committee met with representatives from the Dalian and the Rodin Group to discuss the lack of trees on the development. A second meeting will be held which will include representatives from Whole Foods.
6. 21st & Race-An e-mail has been written to the developer requesting that he handle a number of issues (iron surrounds, trees and light cover) at the near completed site.
7. 2001 Pennsylvania Ave (Target)-The attorney for the developer will present the signage at the April 11, 2017 Board meeting as part of the RCO process. Other than the monument sign at the corner of 21st & Pennsylvania AVE, all other signage is as of right.

PLANNING & DESIGN COMMITTEE REPORT

April 5 / Tivoli Community Rm.

Discussion Summary:

1. **2101 Pennsylvania Ave. – Target**, request is for an exception to allow a larger signage than allowed. The zoning limitation allows for 16 square feet of free-standing signage; the request is for an exception of up to 40 square feet. Though larger than allowed by zoning, the footprint of the proposed signage is very similar to the existing sign by Whole Foods. The signage theme is the signature and somewhat iconic red Target logo with illumination of the logo. Detailed schematics were supplied and the Committee found no issue with the proposed request, per se. However, the Committee wished to use the petition moment to raise a series of related questions on, for instance, the lighting scheme that Target will employ in the parking lot, the hours that the lot will be illuminated, whether there are changes in the foot candle projections on the new scheme vs. the old, and whether the lights will create any glare for nearby residents.

2. LSNA Master Plan Revision

Approximately ten years ago, LSNA undertook to complete a Master Plan for the area within the boundaries of the LSNA. Though complex and resource-intensive, the project was considered a great success in both articulating a community-arrived-at vision for the evolution of the neighborhood and for gaining LSNA significant credibility with entities like the Planning Commission, Zoning Board of Adjustment, City Council, and the immediate Council representative. This discussion at this meeting concerned the efforts to update the Master Plan inasmuch as they are generally regarded to have expired or not to be a working document if they are not refreshed to reflect the current realities on the ground. The thematic intention of any such exercise would be 'Where were we ... Where are we ... Where do we want to be?' The feeling throughout the committee, which is heavily staffed with professionals who have considerable business before these same City agencies, is that a current and operative Master Plan for a community garners the respect of these agencies and serves as an informational tool for prospective developers considering projects in our area. A ten-year-old Master Plan is considered dated. As such, the Committee was in agreement that it would be in LSNA's best interests to pursue an 'update' or refresh to the Master Plan and commence with the drafting of a RFP to for LSNA Board review. Andy Toy and Sam Little have agreed to lead this sub-committee and will report efforts regularly to the LSNA Board, vetted by the Planning & Design Committee.

3. Next PDC Meeting

The next PDC meeting will be Wed., May 3rd in the Tivoli's community room.

Respectfully Submitted,
Sven Schroeter & David Searles
with thanks to Ed Dougherty for his contribution

HEALTH & SAFETY COMMITTEE REPORT

April 4, 2017

9th Police District (PDAC): Our new Captain, Robert Ritchie introduced himself at our meeting. He reported that crime, in general is down for this past month, but highlighted an increase in burglaries in high-rise residential buildings in the area of 15th, 16th, 17th and Walnut, Chestnut, and Locust Streets. Method of entry is unknown, but duplicated FOBs or magnetic cards are suspected. Parked car break-ins are still a problem, with Hondas specifically being targeted. Airbags are stolen then sold to body shops who in turn, sell at full price to customers.

Officer Kiefer noted that a small-scale protest is scheduled for April 15th and a large-scale protest may be brewing for April 22nd. More information will be distributed as it becomes available. The police have increased staff from 12-8 PM to respond to the juvenile flash mobs in center city. Please call 911 if you encounter any issue at all with them.

He suggested that residents register for the ReadyPhila alerts system that delivers via e-mail, phone, and/or text public service announcements in general, and for any issues related to the NFL Draft in particular. Street closure schedule for this event is available on LSNA website and the

Streets Dept website. The area between Fairmount Ave. and Chestnut St. will be cleaned after the Draft.

Crime Report is available on LSNA website.

The Civilian Police Academy will hold the next class session September 6- December 6, 2017. Classes are once a week 7-9PM at the Police Academy. Applications are now available at LSNA meetings, at all police departments, or by contacting Colleen Walsh at colleen@cwalshcpa.com. Deadline for applications is August 7, 2017.

Friends of Aviator Park membership forms are now available at LSNA meetings, or by contacting Wendy Blume at wdblume@yahoo.com.

Our next meeting will be held on May 6, 2017 at 7pm in the Community Room at Tivoli. LSNA members are invited to attend the meeting or send the committee concerns that they would like discussed.

Respectfully Submitted,
Eilene Frierson and Colleen Walsh
